

Corporate Active Membership - get involved and join us!

Active Members enjoy the following advantages through a password protected member area:

- Free access to software updates (TT Dynamic Range Meter plug-in and TT DR Offline Meter)
- Free access and license free use of the DR logo for the CD booklets and online shops
- Free access to upcoming DR release database, along with an opportunity to be listed
- Free access to the PMF knowledgebase covering related topics & PhD research collections
- Active Member newsletter with background information
- Listing as an **Active Member** on the website table

Use of our Active Member web banner to spread the word of our campaign on your website!

Contribution levels are tiered according to the number of company employees.

Please choose your category:

The Active Membership is valid for one year and has **no** automatic prolongation. Before the end of the membership period, you will be automatically informed about new PMF projects, progress, and budget reports before deciding to continue your membership.

Please fax your membership form to: +1 831 466 0971. You will receive an invoice by email.

Your donation makes an important contribution for higher fidelity sound and a healthy music industry.

Music is life – it concerns everybody!
